This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Our featured shade, Outback #c89e73, is a sophisticated earthen tone, a warm blend of terracotta and muted gold. It speaks of sun baked landscapes and natural resilience. When used in interior design, Outback introduces an immediate sense of grounding warmth. Imagine the comforting quality of a rustic adobe wall or the gentle embrace of autumn sunlight filtering through a window. This colour evokes tranquility, stability,...

Tranquility, warmth, grounding, rustic sophistication, natural comfort.
