This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This sophisticated shade, Cool Copper (#af8159), is an earthy tone with subtle warm undertones balanced by cool grey hints. It evokes a sense of grounded luxury and serene warmth, much like the glow of late afternoon light filtering through aged bronze fixtures. Choosing this colour brings to mind comfort, timeless elegance, and natural richness.

The shade suggests sophistication and calm strength. It is grounding yet luminous, perfect for creating a cozy atmosphere without feeling dark or heavy.
