ABOUT THIS COLOUR

Tangled Twine is a sophisticated earthy beige, an ideal neutral to anchor any space. It recalls the natural textures found in woven linen or antique aged wood. This gentle shade of taupe complements both cool greys and warm creams beautifully, providing depth without overpowering the room. It whispers of sun dried pigments and quiet confidence.

This colour evokes feelings of calm stability and rustic elegance. It suggests a comfortable sanctuary, a place to slow down and breathe, lending an air of timeless sophistication to any corner it touches.
