

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

A delicate and muted warm beige, Sand Fossil recalls the soft tones found in unearthed ancient stone or sun bleached driftwood. It is a neutral yet gentle shade that provides warmth without dominating a space. This color evokes feelings of calm permanence and relaxed sophistication. Imagine the peaceful feeling of an undisturbed seaside cliff face at dawn; it offers a grounded backdrop that promotes tranquility and timeless...
