This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

A warm and deeply comforting shade, Muddy River evokes the sense of natural tranquility. It is an earthy blend, reminiscent of river stones washed by slow flowing water or wet woodland soil after a gentle rain. This colour brings stability and grounded warmth to any room it graces. It feels timeless, sophisticated, and quietly embracing, creating a retreat from the hustle and bustle outside. Think cozy library corners and sun...

Grounding, tranquil, warm, secure, earthy.
