ABOUT THIS COLOUR

Iced Cappuccino is a sophisticated and grounding shade, a muted earth tone that whispers of comfort. It recalls the gentle hues found in natural stone or lightly brewed coffee, offering an immediate sense of calm sophistication. This subtle neutral works beautifully to enhance both natural light and furniture pieces, allowing patterns and artwork to take center stage without competition. Use it to create a restful sanctuary, ...
Tranquility, warmth, balance, timelessness, coziness, grounded calm.
