This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This warm earthy tone captures the feeling of sunbaked wood and natural comfort. Paddle Wheel is inspired by rustic coastal decay, suggesting timeless elegance and deep grounding. It brings to mind lazy afternoons on a wooden pier or the steady rhythm of water lapping against a gentle shore. It is a sophisticated shade that provides warmth without overwhelming, acting as a perfect neutral base for accent colors.

Comfortable, Grounding, Rustic, Coastal, Stable
