

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Rock Cliffs is an earthy, neutral shade a gentle mix of pale beige and warm taupe. It recalls natural stone and weathered limestone, offering both grounding substance and subtle warmth. This colour feels immensely comforting and timeless, embodying the quiet strength found in nature. Using Rock Cliffs brings a sense of serene sophistication to any room, creating a backdrop that is elegant yet understated. It allows art and...
