This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This delicate and warm shade is a sophisticated off white with subtle hints of creamy beige. Almond Paste brings an immediate sense of calm and timeless elegance to any room it graces. It works beautifully as a foundational neutral, providing brightness without the harshness of stark white. Think of early morning sunlight filtering through sheer curtains or the comforting glow of aged parchment paper. Using this colour...

Calmness, elegance, warmth, sophistication, serenity
