This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Twig Basket is a muted, grounding green beige with warm earthen undertones. It suggests natural materials like worn linen or dried reeds, making it incredibly versatile for interior design. This sophisticated shade brings an organic calm into any space, promoting a sense of gentle retreat and established comfort. Because it reads as neither strictly earthy nor explicitly neutral, it works beautifully to envelop a room in quiet...

Calmness, grounding, natural elegance, serenity, warmth, stability
